

Natural Packaging, Sustainable Business.

Who We Are?

Hefei Harvest Technology Co., Ltd. is based in Hefei City, Anhui Province, China. Our strategic location offers excellent connectivity to major ports across China, facilitating efficient communication and logistics with the country's key manufacturing hubs.

Since 2011, we have been specializing in international trade. Our team brings extensive experience in global business services and is dedicated to the disposable packaging supplies sector. We are committed to partnering with our clients to achieve: Natural Packaging, Sustainable Business.
